All classified substitute pay will be at \$11.00 per hour

The maximum salary listed in each column is frozen. No salary shall exceed this amount. In the event for FY18-19 an employee is currently making above the maximum salary imposed by the newly adopted Matrix, the employee is eligible for a 1% cost of living increase based on the Category V base wage of \$11.14.

Employees hired in the district are eligible for up to 5 years of previous experience. The 5 years of previous experience will be based on the lesser of previous 5 years of salary increases for classified staff or \$0.25 per year.

Periodically the Governing Board may authorize a cost of living increase. This will be calculated based on Column V - Beginning wage times the % increase the board may approve. This amount will then be added to the Beginning and Maximum numbers for all categories.
