School Volunteer Application Packet

Littlefield Unified School District

Dear Community Volunteer:

We would like to invite you to become a Littlefield Unified School District Volunteer. There are many areas where you could volunteer. Being a volunteer can be a very rewarding experience. You will make a difference in the lives of our children. You can work directly with children or you can work at a District level in administration. It is up to you!!!

You can volunteer as much time as you like. While we have programs which require a dedicated time period, we also have other projects which do not. The amount of time you give is entirely up to you!!!

In order to become a volunteer, you must complete a Volunteer Application Packet. This includes providing a government issued photo I.D. such as a valid driver's or government identification card. This does not have to be an Arizona driver's license or identification card. The volunteer must complete the fingerprinting process. (This is paid for by the District). If you should have a valid Fingerprint Clearance Card, please bring it.

The District makes every effort to safeguard the privacy and safety of our students. We require volunteers to keep confidential matters confidential. All employees and volunteers, when working within the scope of their work with Littlefield Unified School District, are to report to the Site Administrator or District Superintendent any suspected child abuse. Also, should you have been convicted or awaiting trial on any of the listed criminal offenses listed in the pamphlet, you are not eligible to volunteer.

The District also has a no drugs, alcohol, tobacco or fire arms allowed on the property policy. This policy is strictly enforced.

We welcome you to Littlefield Unified School District #9 and hope that you will help our students gain the best educational experience possible and pave their way for future success.

You will make a difference!

Yours very truly,

Human Resources

DISCIPLINE

Students rarely have behavior problems while working with volunteers. However, it is important for you to know that our schools have detailed discipline plans and that the responsibility for discipline rests with the teacher.

CONFIDENTIALITY

As a volunteer, you will learn a great deal about our programs and students. As you work with the staff and students, information of a confidential nature may be shared with you. It is important to keep confidential matters within the school.

CHILD ABUSE REPORTING

All school district personnel are required by law (A.R.S.§ 13-3620) to report suspected child abuse. Failure to report is a crime. This applies to all employees and volunteers when acting in the scope of their work with Littlefield Unified School District. If abuse is suspected, contact the school principal. If the Principal is unavailable, you must make the report by calling Child Protective Services (CPS), or the local law enforcement or both.

Child abuse must be reported immediately. Never delay a telephone report until the next day.

DISMISSAL OF STUDENTS

Children who need to leave school early must have permission from the school office.

DRESS CODE

Volunteers are adult role models for children. Please take your lead from the professional staff and dress appropriately for the job you are doing. Casual clothing is fine, but we ask your attire to be neat and conservative. Your appearance should attract no undue attention.

SCHOOL VOLUNTEERS

Who Can Volunteer?

Everyone who cares about children and education is a potential volunteer. Prior teaching experience is not necessary to be a volunteer. Volunteers are parents, grandparents, community members, retirees and senior citizens.

What Kind of Jobs do Volunteers Fill?

Our schools offer a variety of volunteer opportunities. Some jobs provide the volunteer with a chance to work with students. There are also volunteer opportunities for those who prefer not to work directly with students. Volunteers are viewed as partners in the education team. They make possible the improved delivery of educational services for students.

Volunteers may select the jobs that interest them and may decide on how many hours and days they wish to contribute. The time commitment is up to the individual. Volunteers may choose to serve from time to time as a resource person.

The following are samples of the jobs you may choose as a volunteer:

- *Classroom instructional volunteer.*
 - With guidance from a teacher the volunteer may tutor and assist students who are having difficulties with the subject matter. A volunteer may also perform such tasks as putting up bulletin boards, correcting papers, preparing teaching aids and special learning materials. This service will provide the teacher with more time to plan and work with students.
- *Office clerical assistance/Health center volunteer/Library volunteer.*
 - Volunteers can help in school offices assisting the school secretaries. Volunteers may offer their services in the Health Center or school library.
- *Resource person:*

- A volunteer can offer their services speaking to students on subjects for which they have knowledge.
- *Extracurricular activities volunteer.*
 - Volunteers can help with sports activities, clubs or field trips. They may work on theater productions and art projects.

Procedures for New Volunteers

Adult volunteers are very important. The District promotes and supports the help of all volunteers. A volunteer's job is varied and diverse. Volunteers can help in a number of areas such as tutoring and mentoring students, assisting faculty in the classroom, or with clerical duties in school offices and libraries. Volunteers can assist coaches with athletic programs. Volunteers are extremely important to the growth and expansion of activities and programs within the District. Adult volunteers are interested in the quality of education, growth and development of our students. Many are parent volunteers but an equal number are caring individuals who want to offer their time, skills and talents. Education is "Job One." Volunteers feel the same way we do about the quality of education that is being provided in our schools.

The following are District guidelines mandated by District administration and the Governing School Board.

Parent Volunteer

Complete the Volunteer Application. The applications are available in each school office. The application requires basic information, references, previous employment history, education, special interests and experiences. The applicant can specify times available to volunteer and what they might like to do.

The Professional/Support Staff Qualifications and Requirements (enclosed within the application packet) can be notarized in the human resources office.

To comply with Arizona State law each volunteer is required to have fingerprints taken.

- A parent volunteer may not begin to volunteer prior to clearance of their fingerprints.
- Parent volunteers, who work directly with students, must complete the application process.
- If a parent is volunteering for a one-time activity such as assisting a group of club to raise money at a game or school function, they are not required to complete an application. If they intent to volunteer for

numerous activities or travel on field trips they must complete the application process.

Field Trips:

- Parent volunteers are welcome to accompany students on field trips, subject to the approval of the school principal.
- Parent volunteers will not be allowed to travel with students on overnight trips unless they have completed the volunteer application, fingerprinting, and met with the school principal.

Community Volunteer

The same rules apply to the community volunteer as the parent volunteer. All volunteers may not begin to volunteer until their fingerprints have cleared. The process takes about two (2) weeks. Each volunteer must meet with the principal or athletic director prior to volunteering.

Adult volunteers are always a valuable asset to our School District and we count each one as a special gift to faculty and students. Please remember that while the District is grateful for all who volunteers there are some areas where volunteers cannot be used. Volunteers may not work with sensitive materials which contain personal information about students or staff.

Fingerprints are good for two (2) years:

- A returning volunteer needs to update their fingerprints every two (2) years.
- If the volunteer holds a current State of Arizona Fingerprint Clearance card, they may present that in lieu of the fingerprint process.
- If the volunteer is a current District employee, they should have already been fingerprinted.

Volunteering for an Athletic Program:

- Volunteers assisting coaches in athletic programs must be over twenty-one (21), unless approved by the Superintendent.
- When a coach has a prospective individual interested in volunteering, that volunteer must meet with the principal on the campus where they wish to volunteer. If the principal, after a personal interview, feels that the volunteer is a good candidate, they may complete the application process.

- A Personnel Action Recommendation (PAR) must be completed by the principal for each prospective volunteer. Fingerprint clearance must be obtained before they may begin to volunteer.
- The Governing School Board must approve all athletic program volunteers.
- Volunteer's assisting coaches may not drive students in District or personal vehicles.
- Volunteers help fill that budget gap by offering their time, talents and assistance when there is little funding for special projects.
